BOLLARD

## BOLLARD

Handle-It® Bollards are designed as a barrier to keep unwanted material from entering in a specific area, especially small openings. Highly visible, this heavy duty steel bollard keeps people and equipment safe from injury or damage.

### Features and Benefits

- Protect equipment, electrical panels, and doorways with these sturdy steel columns.
- Bollards, 4" and 6" diameter x 36" & 42" high, securely mount to concrete floor with supplied ¾" concrete wedge anchors.
- Simple installation with only a few tools to drill and install wedge anchors—requires no masonry work
- Provides an excellent barrier separating vehicles from people.
- Solid 5/8" x 10" x 10" base plate
- Includes Steel Cap Cover
- Custom sizes, lengths and diameters available. Contact customer service for details.

### Guarantee and Warranty

Personal and professional customer service is offered on all Handle-It® Bollards. Our Bollards carry a one-year limited warranty on all materials and workmanship.
